Dear Ted,

We want to thank you for our fabulous kitchen. Everything looks great.

Everyone you sent to complete a task, Katanic & Company, Steve and Christian; Colorado Custom Stone, Ron, Ken and Scott; and Willy from your office, were all very professional. We would not hesitate to recommend any of them. And last but not least we want to thank you for your guidance and patience through all.

Steve went out of his way to drop off an air mover to help us move our stove after he used it to move our refrigerator. I believe that is above and beyond.

The counter tops will be arriving on Wednesday and Ron is including a piece of granite for our wet bar. We are very appreciative of contractors going the extra mile for us.

I will send pictures to all concerned. I will also be sending these pictures to everyone we know, not only to show off our beautiful kitchen but they will see what a wonderful job everyone performed.

Sincerely,

Jordan and Vicki Geray
